Moving Beyond Uncertainty

SPEAKER

Dr. Alan Beaulieu
President, ITR Economics

ABOUT OUR SPEAKER

With a reputation as an accurate, straightforward economist, Alan Beaulieu has been delivering award-winning workshops and economic analysis seminars in countries across the world to thousands of business owners and executives for the last 30 years.

Alan has coauthored, with Brian Beaulieu, the books “Make Your Move,” “Prosperity in the Age of Decline,” and “But I Want It!” He has also penned numerous articles and makes up to 90 appearances a year. Alan’s keynotes and seminars have helped thousands of business owners and executives capitalize on emerging trends.

SESSION DESCRIPTION

This has been quite a year. Together we will explore all the changes that have occurred in the economy, take an objective look at the probability of a Second Wave, and examine key trends that are most important to the people and business environment in Grand Rapids.

We will also:

- Look at a system of leading indicators proven to signal cyclical turns in the economy and markets.
- Discuss any potential changes caused by the November elections.
- Present information on the impact of massive deficit spending, including any impact on inflation.
- Assess interest rate and other financial market trends, including the latest information on stock market performance.

THANK YOU TO ALL OUR MEMBERS AND 2020-2021 SEASON PARTNERS
