### SPEAKER

#### Alex Gorsky

Chairman & CEO  
Johnson & Johnson

### ABOUT OUR SPEAKER

Alex Gorsky is Chairman of the Board and Chief Executive Officer of Johnson & Johnson, one of just seven leaders who have served in the dual role since the company was listed on the New York Stock Exchange in 1944.

Under Alex's leadership, Johnson & Johnson has both upheld the company's 133-year legacy of delivering solutions to the world's most urgent unmet healthcare needs, and continued to redefine expectations when it comes to purpose-driven innovation and sustainable growth on behalf of all stakeholders.

### SESSION DESCRIPTION

As a former U.S. Army Captain, Alex Gorsky knows how to lead a battle. And right now, the Johnson & Johnson Chairman and CEO, alongside their 130,000 employees across the globe, is hard at work innovating solutions in the battle against COVID-19.

Alex Gorsky will engage in an interactive conversation with our board chair, Tina Freese Decker, President and CEO of Spectrum Health, and discuss Johnson & Johnson's response to the pandemic, the company's rapid progress toward advancing a vaccine—and how COVID-19 has affected virtually every aspect of health and medical care.

THANK YOU TO ALL OUR MEMBERS AND SEASON PARTNERS
